

FIGHT NIGHTS

WHAT?

A FIGHT NIGHT is both an event and the launch of an ongoing discipleship opportunity for young Christian guys.

A FIGHT NIGHT is essentially an opportunity for Christian guys to get real about the challenges that come with living life in a sex-saturated culture.

Each FIGHT NIGHT consists of some 'blokey' interactive physical challenges and fun, passionate worship, honest sharing about pornography, purity, growing in passionate relationship with God, and an opportunity for discussion/confession/prayer in a small group setting.

Each guy attending a FIGHT NIGHT receives a copy of 'The Fight' DVD resource, (see below for further information). Each youth/young adult ministry attending a FIGHT NIGHT is encouraged to capitalise on the momentum and breakthrough that will take place for many young men on the night, by journeying with their guys through 'The Fight' DVD resource in the weeks following the event.

Suggestions for making the most of this ongoing discipleship opportunity are available at THE FIGHT website's leaders page.

WHY?

An incredibly high percentage of young Aussie Christian guys are struggling in these areas of life.

In a recent survey of 350 Australian Christian guys (average age 20 years), 63% had intentionally sought out and viewed pornography in the 3 months prior. In a similar survey of youth leaders and youth pastors 56% had intentionally viewed porn in the three months prior

When asked to describe their interaction with pornography, just 7% said they never look at pornography, while 28% said they had a pornography problem or were addicted to pornography.

Christian teen and young adults and their leaders from churches all over Australia are participating in Fight Nights in 2010. Several churches from a variety of denominations will be involving their youth and young adult ministries in the Bendigo Fight Night.

COST?

A charge of \$15 per person enables Roundabout Ministries to cover the cost of the night AND give each guy attending a copy of 'The Fight' DVD resource, (RRP \$32.95).

RSVP from youth and young adults groups is ESSENTIAL in the weeks leading up to the event. This will enable us to ensure sufficient copies of 'The Fight' DVD resource are available for those attending. This will also ensure that venue is not overbooked.

It's also important that the key leader/pastor from each church attending has contact with the event organiser in the lead up to the event. ENDORSEMENTS

'The FIGHT NIGHT led by Adrian Rowse and his team was incredible! It was truly one of the most impacting nights for our young adult men here at Christian City Church I have ever witnessed. From the media presentation, music and message it all carried a heart of grace and purity. The small group discussion time at the end of the night was really the thing that sealed it for our guys. It was honest, life changing and built our church in a real way.'

(josh kelsey: young adults pastor, christian city church sydney, nsw, australia)

'The Fight DVD resource is brilliant. There are obviously lots of other resources that explore similar themes - but I say in all seriousness that this is the best I've seen. The Fight will facilitate life change, and direct people towards paths of ongoing safety and healing. I loved the blend of common sense and biblical truth. The mix of understanding ..compassion and truth .. rebuke .. challenge was superb. The way its put together is understandable, relevant and attractive.'

(adam hince: youth pastor & victorian baptist youth ministries team - vic australia)
